

Marian Pilgrimage Itinerary

October 19-20, 2017

Please remember that this is a Pilgrimage, not a vacation. It is a great opportunity to visit some beautiful Marian Shrines. The Shrine of Our Lady of Good Help is the only *Church Approved* apparition sight in the United States! There are also special graces and indulgences one can receive from this pilgrimage; we will talk about those on the pilgrimage.

Please remember to pack accordingly. We will be walking outside at the shrines, so a warm coat and hat will probably be needed. We will only be gone for one night, so please do not pack like you are moving to college! There is a nice pool and game room at the hotel, so you can bring your swimsuits, but modesty is a requirement – no exceptions!

If you have a Bible and Rosary, please bring them along. We will also have time in the bus for you to bring other books to read, or to work on homework, if you must. Do not bring along any inappropriate books, music, DVDs, magazines, etc. We are staying at the Hawthorne Suites by Windham Hotel in Oshkosh, WI and everyone will have a bed to sleep on.
